

Thank you for considering

*LeMont*

To host your affair

Whether your function is strictly business or purely social, our staff looks forward to serving you and your guests. Our private banquet facilities will accommodate groups of 20 to 300 people. All of our private rooms have a great city view and have been recently renovated. LeMont has invested in the installation of UV (ultra violet) light and ozone ion generators in delivery doorways, kitchen areas and dining rooms to provide a safe, sterile air environment.

Enclosed in this packet are some menu ideas and general policies. Please feel free to call with any questions you may have. We will be happy to provide you with a tour of our facilities and personally discuss your event.

Again, thank you for considering

### **MENU**

LeMont uses only the freshest and highest quality ingredients available. In order to maintain our high standards, some menu items may change according to season and availability.

All menus and other details for your function should be completed six to eight weeks prior to your Reservation date.

All final counts must be given 48 hours prior to your event and will be the minimum charged for your event.

You may offer your guests two entrée selections. We will need an exact count of each of these choices 48 hours before your event. Additionally, we need to be able to identify each guest's selection at their table to assist our wait staff in better serving your guests.

For parties of 50 or less, a "waiter take order" service can be provided. This entails our staff taking individual guests orders from three pre-selected entrees the night or day of your affair. A 22% gratuity will be applied to all food and beverage charges for this service.

LeMont has expertly acquired a wine collection featuring over 500 individual selections. Please ask our Banquet Manager to suggest the perfect wines to complement your perfect meal.

To help insure your requested wine choice is available for your event, we ask that your wine order be placed three to four weeks prior to your event.
