

# *LeMont*

*Our main goal in welcoming you back to LeMont is to protect you and our LeMont associates in the dining room and in the kitchen. Let's help keep each other safe during this challenging time with the COVID-19 virus.*

## *Our Pledge to Our Customers*

*We pledge to be a leader in hand hygiene, safe food handling, sanitation and disinfecting practices and social distancing as required by the PA Health Department, the Allegheny Health Department, the Center for Disease Control and other federal, state and local guidelines and regulations.*

*Per the PA Governor, LeMont is open at 50% capacity as of January 2021*

*Dinner parties will maintain at least six feet distance between tables*

*LeMont staff will wear face masks and LED UV (ultra violet) personal ionization devices  
Installation of UV (ultra violet) light and ozone ion generators have been installed in delivery doorways, kitchen areas and dining rooms to kill viruses/germs within four seconds.*

*Surfaces and common areas will be cleaned and disinfected regularly and dining tables and chairs will be disinfected after each use.*

*We ask our customers to follow the minimum protocols as outlined for restaurant customers by the PA Health Department and Allegheny County Health Department.*

*Following the social distancing and sanitary guidelines that are in place to protect you, other customers and our LeMont staff.*
